August 2021

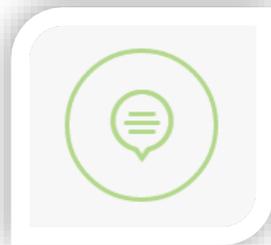

Who We Are

Founded in 1996, Choice Communication is a boutique **public relations agency** in Vancouver, B.C., which specializes in bridging language and cultural barriers. We offer our clients communication services tailor-made to their specific needs.

Identity

Whether it is for Canadian companies that want to tap into the **Chinese-speaking market** or the Chinese companies reaching out to the **English-speaking market**, we speak the language and understand each culture and its nuances.

Specialty

With a focus on **multicultural public and media relations** and a specialty in **Chinese-language marketing**, we have carved a niche by providing communications support in both the public and private sectors.

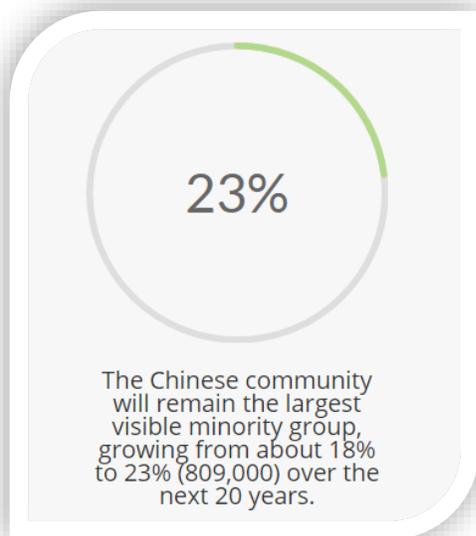

Communication is the key to reaching the multicultural community in Vancouver.

With Vancouver being the **gateway to the Pacific**, more and more communications and business activities are being carried out in **Beijing, Shanghai and Hong Kong** – some of the most affluent cities in the world. As the community evolves here on the West Coast, so should your communications strategy.

Is translating your messages or media releases into Chinese enough?

Is

Does what you are saying coming across clearly in a multicultural ad or a commercial?

At Choice, we show and help you reach all communities with effective and culturally-sensitive messages in the language of choice.

Marketing Communications

Unique products and services require unique promotions. Using a range of marketing tools, we develop plans that are designed in the best interests of the product and the client.

- ✓ Coordinate all aspects of major marketing events, such as fun fairs, festivals, parties, sponsorship programs and charity drives
- ✓ Sponsorship recruiting, planning and liaising
- ✓ Plan and organize trade and consumer communication programs
- ✓ Plan and organize product launches and promotion campaigns
- ✓ Prepare marketing literature, such as brochures, product leaflets and catalogues

Event Management

From staging a media round-table discussion to developing large-scale local and national events, we have the experience to design and customize effective and memorable events.

- ✓ Organize press conferences, product launches and VIP events
- ✓ Coordinate with partners, media, clients and guests
- ✓ Follow-up and debrief post-event
- ✓ Work within the budget to develop all aspects of event, from start to finish.
- ✓ Facilitate on-site during the event
- ✓ Media monitoring

Public and Media Relations

Your message is important. So is building your brand. That's why we will tailor a communications strategy or PR campaign to your needs in order to share your story and information in the most impactful of ways.

Reach out to and liaise with media for story pitches and events

- ✓ Plan and organize media publicity for client products and services
- ✓ Produce corporate brochures, videos, magazines and employee newsletters
- ✓ Organize exhibitions and road shows
- ✓ Handle projects from early concept design stage to copy writing, editing, proofreading and final production
- ✓ Write and edit marketing literature

- ✓ Create PowerPoint presentations and multimedia presentations and programs

Social Media

Utilizing social networks, such as Facebook, Twitter, and Instagram, among others, to reach a wider audience and promote your brand is important for many businesses. While we help in managing these platforms to effectively reach the English-speaking market, we also provide management services in **WeChat** and **Weibo** —targeted to the Chinese market.

- ✓ Develop an effective social media strategy
- ✓ Translation from English to Chinese, and vice versa
- ✓ Curate relevant content to your brand
- ✓ Connect with online influencers and your community
- ✓ Register, set-up and manage accounts
- ✓ Enforce brand consistency (keeping the same voice across multiple channels)

Other Services

No project is too big or too small. At Choice, we provide a wide variety and diversity of services that will thoroughly meet your communications needs.

Copywriting

Provide professional editing and writing for speeches, marketing materials, website and blog content, brochures, and editorials.

Media Monitoring

Coordinate and implement multimedia monitoring for client's corporate exposure or competitors' activities.

Media Training

Design and organize multi-language training sessions for company executives on techniques to work with the media. The training also focuses on the expectations of the different media.

Chinese Media & Community Relations

Pitch stories about products and services to the Chinese, mainstream and ethnic media to ensure news coverage.

Advertising and Advertorials

Design and place advertisements and advertorials; Prepare advertising copy and write-ups; Select the best medium for placement.

Translation

Translate printed materials to target the Cantonese or Mandarin speaking communities with a focus on the delicate distinction on the two languages.

Exhibitions

Organize seminars and exhibitions;

Design and construct display booths and panels;

Handle publicity and media relations for seminars and exhibitions.

Sponsorship Programs

Plan and implement corporate contributions programs;

Identify suitable sponsorship opportunities for clients.

We salute the multicultural spirit of Canada where we celebrate diversity and share each other's background.

In broad terms, consultation is charged in two major areas:

Consultancy Fees

Choice charges for professional services rendered in counselling, strategic planning, developing, managing and implementing clients' programs. Clients can choose to work with Choice on a monthly retainer or an hourly basis.

Out-of-pocket expenses

For expenses incurred on behalf of clients for items such as photocopying, photography, videography, costs associated with events (such as venue rental, catering etc.), printing, long distance calls, postage/courier, artwork, press clippings, translation etc. These are billed with a 15% mark-up.
